PROPOSED RESTRUCTURE OF UF CVM ALUMNI COUNCIL

Revised August 2017
UF CVM ALUMNI COUNCIL

Executive Board is composed of the following:

- Alumni Council President
- President-Elect
- Past President
- FVMA Pres-Elect
- Diversity Alumni
- Out of State Alumni
- Dean’s Circle member
- Alumni Affairs C.rd (ex officio)
- CVM Dean (ex officio)

The Executive Board will:

- Oversee the alumni council and the alumni association
- Serve as an advisory committee to CVM dean
- Oversee/run alumni council meetings
- Meet more frequently (4x a year and virtual). Meet a week prior to alumni council meetings (2 meetings)
- Oversight of new standing committees
- Other duties to be determined
Proposed Committees

- Proposed committee names are ‘working titles’ only.
- Committees can be created and eliminated at the executive board’s discretion.
- Executive Board to determine the overarching goals of each committee and the makeup of representatives.
- Each committee will have: an ex-officio member chosen by the dean; an FVMA rep; and 1-3 additional members.
- Once each committee’s makeup is determined, each committee will draft recommendations for their standard operating procedures (SOP), terms of service, and member appointment or election.
Proposed Standing Committees

- Communications/Social Functions/Networking
- Recruiting/Mentoring and Career Development
- Distinguished Awards
- Executive Board
Committee Tasks

Communication/Social Functions/Networking Committee

- Determines most effective ways to communicate with alumni;
- Advise what topics/messages to deliver at events
- Determine when/where/how to conduct alumni social functions

Recruiting/Mentoring and Career Development

- Oversee engagement/mentoring of alumni and future alumni at all stages of their vet med career
- Oversee on-line job boards
- Serves employers and prospective employees

Distinguished Awards

- Identify and recognize UF CVM alumni for awards
- Award categories include alumni achievement DVM, alumni achievement MS/PHD; distinguished service and special service
